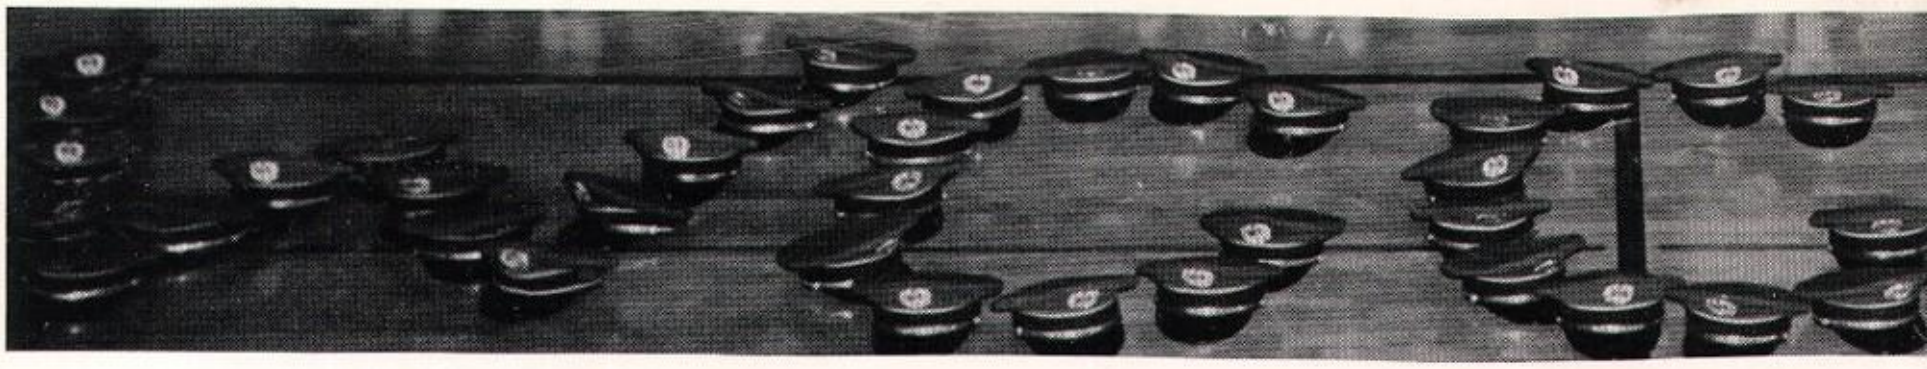
THE WARRIOR

Volume 14

WCCHS,

Leoti, Kansas

1959-60



Foreword

We are living in an age of progress which is becoming extremely fantastic, both in the means and the extent of exploration. Not the corners of the earth but the corners of the universe are being explored to celestial heights and ocean depths. The man largely responsible for this, Albert Einstein, died before he saw the full fruits of his genius.

These achievements have also been reflected in our school. The scholarship in W.C.C.H.S. has reached an all time high. Not to be overlooked, is the high attainment reached also in fields such as athletics and fine arts.

We are in tune with the times, as the following pages of the 1959-60 WARRIOR will prove.

Virginia Willey

The 1960 Warrior
is dedicated to a departed
classmate.

Virginia Willey, a fellow classmate died July 27, 1959, in a Kansas City hospital. Virginia went to the Jumbo Rural School before enrolling in W.C.C.H.S. as a freshman. She will be remembered in the hearts of her classmates as a friend with a sweet personality. Even though her health was poor, she was always willing to do more than her share of work on school projects.

The Board of Education Keeps Satelite Rolling

To have the board members as navigators of the space rocket gave a feeling of security. They met once a month to iron out problems which arose in the huge rocket, W.C.C.H.S. Several members visited school and observed the smoothly running organization.

Mrs. Krenzel continues to feel a keen interest in the school. A graduate of W.C.C.H.S., she has been a member of the board of education for 30 years. She and Principal Templer inspect new lockers recently installed on first floor.

FRONT ROW: D. Jaeger, C. Lytle, J. Hobson, K. Phillips. G. Lewis, J. Green.

Council Keeps Ship Turning

The rocketing time that the W.C.C.H.S. earthlings enjoyed this year was engineered by the Student Council, with Warren Townsend as sponsor and Orpha Logan, president.

They launched the football and basketball crowning and dances, a Dress-Up and Sloppy Joe day, and soc hops.

A project which proved successful was a game room for those who don't dance.

Seniors Bombard Kirkwood

Forty-one seniors, four parents; Mrs. Elmer Appl, Mrs. Leslie Crouch, Carl Logan, Hilbert Shafer, and three teacher sponsors; Miss Kolleen Rufenacht, Orville Huddleston, and Don Leuszler, left Friday, April 15, on the 10:45 east bound train. Arriving in Jefferson City, Missouri, Saturday morning at 10:00, they toured the state capitol building. In the afternoon a bus took them to Kirkwood Lodge.

The time at Kirkwood was spent in boating, swimming, dancing, and making new acquaintances.

Their return trip started at 9:30 A.M. Wednesday, April 20. They arrived at Kansas City, Missouri at 2:20 P.M. There they toured the Nelson Art Gallery. Leaving Kansas City at 9:00 P.M., they arrived in Leoti early Thursday morning, where some thirty cars were awaiting their arrival.

All during the year the seniors were busy with money raising schemes in order to ride first class to Kirkwood Lodge. Among their projects were: car washes, food sales, and serving banquets. About $2300 in class funds was used to make the trip a most successful event.

"II" *Rating Orbits 'Round Band*

The 67-piece band trip to Boulder, Colorado, was the rocket fuel necessary to get Director Orville Huddleston's crew into orbit. The band received a hard-earned "II" rating at district contest. The satellite twirlers were: Sherra Lambert, Patty Templer, and Kay Royer. Majorette Sonja Hooker, led the band during marching season. A pep band helped to put enthusiasm way up there for football and basketball games.

Director Huddleston pioneered the development of the rotating schedule which allows ensemble members to practice during half of a class period once a week.

Dance Band Serenades Heavenly

The dance band, directed by Mr. Huddleston, and composed of fourteen members, practiced regularly on Thursday mornings at 7:30 and sometimes on Monday evenings. Since 1953, when Mr. Dickinson started the first dance band, the dance band has pushed steadily forward. The band played for sock hops and crowning dances throughout the year. Highlight was a trip to Jetmore where they struck up the band and swept the chords for the Longhorn prom.

Cheerleaders Launch Missiles

Varsity cheerleaders, Judy Shafer, Sonja Hooker, Sandra Ames, and Patty Templer, kept the missiles orbiting at games and assemblies.

Denese Schwindt, Alberta Jaeger, Mary Ellen Bjurstrom, and Jeanne Lambert, pictured below, helped the little stars out by giving them the extra fuel they needed.

The varsity cheerleaders were sent to a space station in Oklahoma in June to learn about boosting the missiles into bigger scoring. Now they're out of this world.

Indians Third In League

This year the Indian team scored a total of 1214 points, while the opponents scored 1066 points. The Indians scored an average of 51 points a game to the 44 points of the opposition. This is evidence of the sound Leoti defense, stressed by Coach Tom Williams. The final team record of all games played, including tournaments, was 15 wins and 9 losses. The Indians won second place in the Scott City Invitational Tournament, and second in the District Tournament. They ended the season third in the league, although they beat the second place Dighton team by 26 points in the return non-league game.

The yearbook crew worked hard planning pictures, ads and layouts and executing ideas during 8th hour sessions on Tuesday and Thursday. They have tried to carry out throughout this book the space theme, which has been so prevalent.

Co-editors were Janet Smades and Sonja Hooker. Advertising manager, Barbara Burroughs, Dee Ann Jaeger in charge of picture sales and Janice Strong business manager, kept finance records. Three underclassmen John Cable, Carol Holmes and Mark Hoard were valuable members of the staff, John and Mark being photographers, salesmen and sportswriters. Judy Shafer had the difficult job of editing all senior pages, Lucille Pfeifer was head typist.
